DO YOU LIKE TO FILE?

Well who doesn't? Pam could use an hour or two of help this week to help find out what's on her desk and get it filed appropriately. No special talent necessary, just a willingness to figure out what to keep and what to toss. Please call the office if you can help; you pick the time. Thanks.

Graduates: So far we have heard of one! Surely there are more? Please call or email the office with the name of graduate, their school and future plans (college, military, etc.)
